### Iron John

" Iron John " (AKA " Iron Hans " or " Der Eisenhans ") is a German fairy tale found in the collections of the Brothers Grimm, tale number 136, about a wild iron-skinned man and a prince. The original German title is Eisenhans, a compound of Eisen "iron" and Hans (like English John, a common short form of the personal name Johannes).

### Iron John - Wikipedia

Iron John is a book that I recommend as a counselor for both men, and woman read. It is a wonderfully written, and very poignant tome about the critical journey that all men must become aware of if they are to be successful in their world. I think the most vital part of the book is the "Iron John story" that is in the BACK of the book.
