### aqua-school.de

In the past, the second-to-last character in the code was used to identify model year. Because Mercury had a model year, that character within the code was automatically updated every 12 months. For example, a 1-225V23DD model code referred to a Mercury 225XL Verado and the "D" in the second-to-last position represented the 2005 model year.
