Book Review: Preserving Cultural Landscapes in America ...

Historic preservation is a movement in planning designed to conserve old buildings and areas in an effort to tie a place's history to its population and culture. It is also an essential component of green building in that it reuses structures that are already present as opposed to new construction.

Why Preserving Historic Landmarks is Important for Development

In recognition that large scale historic properties of significance to Indian tribes and Native Hawaiian organizations (NHOs) across the United States are increasingly threatened by development, the ACHP launched a Native American traditional cultural landscapes initiative and adopted an action plan in November 2011.

Preserving Cultural Landscapes in America / Edition 1 by ...

1. The focus was on recreating historic military sight lines and removing cultural features not directly associated with the 1860-65 period. 2. Battlefield landscapes were not evaluated for their importance as historic farms, plantations, or villages, or for the natural landscape features that contributed to their temporary military uses. 3.

Preserving Important Landscapes « Preserving Historic America

The application of an archival mapping method and resulting PSFP datasets can be incorporated by individuals working on heritage projects such as Historic American Landscapes Survey (HALS) reports, National Register nominations, cultural landscape reports, historical landscape studies related to Section 106 and 110 review, and preliminary archaeological surveys (Sabol et al. 2018, 2).
