The Garden Of Rama 3

The Garden of Rama is the third installment of a four part series. It's better than the second book, but nowhere near as good as the first. 'Rendezvous with Rama' is among my favourite books. I love the 'hard' sci-fi, the slow, deliberate pacing, the unresolved mystery, and the utter indifference of the alien mini-world to human presence; Garden of Rama could scarcely be any more different. I grew to hate most of the main characters in this book, they were so two-dimensional.

Rama II was a step down in literary quality, but the characters—Nicole des Jardins Wakefield and family—were compelling enough to encourage picking up Garden (I'd give Rama II 3 stars overall). The literary quality of Garden in and of itself earned an additional star.
