Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

The Tao of Twitter: Changing Your Life and Business 140 ...

In Tao of Twitter, Mark re-framed the use of the social media tool in a way that I had never perceived it -- which really changed my whole perspective in a motivating way. It's weird because I started reading the book at a time when I had made a vow to myself to make an attempt to be more selfless in my life.
